Mentor Description

Purpose of the Position:

The Clubhouse is an after-school learning environment where young people explore their own interests and become confident learners through the use of technology. Mentors are a key part of the Clubhouse community, supporting the learning and exploration of clubhouse members.

Responsibilities:

Provide assistance, support, and encouragement to Clubhouse Members.

Support Clubhouse's Guiding Principles:

- Learning through design experiences
- Help youth build on their own interests
- Create an environment of respect and trust
- Offer resources and opportunities to those with limited access to technology
- Create a learning environment where young people develop technological fluency

Qualifications:

- A minimum of 18 years of age
- Experience and/or interest in working with young people
- Curiosity and interest in learning more about technology, working with young people, and being part of the Clubhouse Community
- Experience or ability in one of a variety of disciplines (including engineering, music, science, art, journalism, architecture, education and design)
- Open to new people and ideas

Benefit:

- The opportunity to explore one's interests in a cutting-edge environment.
- The opportunity to help young people build skills and confidence.
- Volunteer experience

Schedule: 2-3 hours per week

Commitment: 4 months
